Residual Sugar	0.1
Alcohol	14.5

## Tasting Notes

From the northern reaches of the appellation, this hillside Cabernet is a wine of considerable heft yet is all about elegance and finesse. Intense dark fruit elements emanate on the aromas and persist beautifully on the palate. Concentrated elements of Boysenberry, mulberry and cassis with herbaceous overtones all wrapped in a luxurious blanket of cocoa tannin that gives the wine body and structure. Great now, yet with structure to be enjoyed for years to come.
