Pressed after 8 hour skin contact  
100% Tank Fermented

## Technical Data

Titrateable acidity	6.2g/L
pH	3.8
Residual Sugar	0.1
Alcohol	14.2

## Tasting Notes

The 2017 Russian River Pinot Noir Rosé is as dry as they come, with soft and crisp fruit tones of strawberry and melon, bright citrus, and a touch of cherry. The delicate fruit essences are reined in with a clean mineral edge keeping the wine bone dry. If you are a serious dry rosé lover then this wine is for you. Pairs perfectly with steamed Dungeness Crab, or a New Orleans Oyster Po Boy sandwich.
